P G Wodehouse . **Summer Moonshine**. London: Herbert Jenkins, 1956. 1st Autograph Edition . From the Recreation Library at the Saxa Vord RAF Radar Station on Unst. The No 91 Signals Unit became officially based there in 1957 and the site was closed in April 2006, although funding has been agreed to reopen it as a remote un-manned site. Unst is the most northerly of the Shetland Islands - and exposed to some ferocious weather - so the recreation library would have been an important and well-used resource. As an ex-library copy there are Saxa Vord library markings on the front endpapers and the dust wrapper is price-clipped and has been preserved in laminated wrap. Contents very clean. Good + in good dust-jacket. Hardcover. (4413) £10.00
